Sierra Service Project

Build Faith
Strengthen Communities
Serve Others

Generous Scholarship Assistance Available

Sierra Service Project, or SSP, provides service opportunities during the summer and school year for middle and high school youth and intergenerational teams. SSP is...

- **Challenging service.** Volunteers take on complex projects, learn to safely use power tools, and cultivate teamwork and problem-solving skills.
- **Safe & Dependable.** SSP has over 40 years of youth service, leadership, and home repair knowledge, is dedicated to physical and emotional safety, and provides nutritious meals and spiritual support to all volunteers.
- **Fun!** The SSP experience includes a tradition of games, songs, and lasting friendships.
- **Intercultural engagement.** Working with others to strengthen communities different from their own allows youth to experience new cultures in an authentic way.
- **Community-based, transformative** service learning experience.

"SSP is a unique opportunity to serve and be served in God's light."

Sierra Service Project (SSP) is an independent, interdenominational Christian 501(c)(3) nonprofit organization that provides equal opportunity for everyone to experience God's grace through service. SSP believes in offering the invitation to service and relationship freely, without expectation. SSP is open and affirming, and welcomes anyone who is interested in participating in its programs.
