## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of Sierra Service Project Sacramento, CA

We have audited the accompanying financial statements of Sierra Service Project (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sierra Service Project as of September 30, 2018, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## NOTE A - NATURE OF THE ORGANIZATION

Sierra Service Project (SSP), Sacramento, California, is a not-for-profit organization incorporated in 1979 under the General Non-profit Corporation Law of the State of California. The specific and primary purpose for which the organization was formed is to organize and manage service camps for church youth groups. These youth, along with adult counselors, repair Native American homes on reservations and other underserved communities throughout the North American West Coast and Central America. Support and revenue consist primarily of fees for the service camp participants and donor contributions.

## NOTE B - SUMMARY OF PROGRAM AND SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Presentation**

The financial statements of SSP have been prepared on the accrual basis of accounting. SSP reports information regarding financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

**Temporarily restricted net assets** – Net assets subject to donor-imposed stipulations that may or will be met either by actions of SSP and/or the passage of time.

**Permanently restricted net assets** – Net assets to be held in perpetuity as directed by donors. The income from the contributions is available to support activities as designated by donors.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Contributions restricted by a donor are reported as increases in unrestricted net assets if restrictions are met (either by passage of time or by use) in the reporting period in which the contributions are recognized. Expenses are reported as decreases in unrestricted net assets. Gains and losses on assets and liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor restriction or by law.

### Cash and Equivalents

Cash and equivalents consist of cash on hand and highly liquid investments with original or remaining maturities of three months or less at the time of purchase.

## NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Inventory

Inventories consist of building materials to be used in SSP's programs during the subsequent fiscal year and are stated at the lower of cost or market, with cost determined by the first-in first-out method.

### Fixed Assets

Acquisitions of fixed assets in excess of \$5,000 are capitalized and stated at cost. Donated fixed assets are reported at fair value at the date of the gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets.

#### **Revenue Recognition**

Participant fees are recognized as revenue when the applicable activity is completed. Revenues collected in advance are deferred until earned.

### Functional Expenses

The costs of providing the program services and supporting services have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Indirect costs are allocated among programs and supporting services based on personnel, space, and other factors.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

#### Income Tax Status

SSP is exempt from income taxes under Internal Revenue Code (IRC) Section 501(c)(3) and related California code sections. SSP is considered a public charity and has been classified as an organization that is not a private foundation under IRC Section 509(a)(2).

Management of SSP has evaluated the tax positions and related income tax contingencies. Management does not believe that any material uncertain tax positions exist.

### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Financial Instruments and Credit Risk

SSP manages deposit concentration risk by placing cash and money market accounts with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the organization has not experienced losses in any of these accounts. Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates.

### NOTE C – **FIXED ASSETS**

Fixed assets consisted of the following as of September 30, 2018:

Trailers Vehicles Leasehold improvements Office furniture	\$	35,683 66,232 35,624 <u>5,678</u>
Subtotal		143,217
Less: accumulated depreciation		<u>(101,454</u> )
Total fixed assets	<u>\$</u>	41,763

Depreciation expense was \$20,788 for the year ended September 30, 2018.

### NOTE D – BENEFICIAL INTEREST IN ASSETS OF COMMUNITY FOUNDATION

SSP has transferred assets to the Sacramento Regional Community Foundation (Foundation) to establish an endowment fund. The agreement states that the transfer is irrevocable and that the assets will not be returned to SSP. However, the Foundation will make distributions of income earned on the endowment fund to SSP, subject to the Foundation's spending policy. SSP has granted the Foundation variance power which allows the Foundation, at its sole discretion and subject to certain conditions, to modify any condition or restriction on the distribution of funds. A distribution of \$2,670 was received during the year ended September 30, 2018. SSP has recorded a beneficial interest in assets held by the Foundation totaling \$74,300 at September 30, 2018.

## NOTE $\operatorname{E}-\operatorname{\textbf{RESTRICTED}}\operatorname{\textbf{NET}}\operatorname{\textbf{ASSETS}}$

Temporarily restricted net assets consisted of the following at September 30, 2018:

Young Clergy Initiative	\$	35,428
Grimm Family Foundation Scholarships		85,406
CES Scholarships		5,000
Total temporarily restricted net assets	<u>\$</u>	125,834
Permanently restricted net assets consisted of the following at September 30, 2018	3:	
Beneficial interest in assets of community foundation	<u>\$</u>	74,300
Total permanently restricted net assets	<u>\$</u>	74,300

### NOTE F – COMMITMENTS

SSP leases office space under a partially-cancellable operating lease, which expires in February 2022 with options to terminate a portion of the lease in Mach 2020. SSP also leases storage space under a non-cancellable operating lease, which expires in May 2021. Lastly, SSP collects rent from a portion of their office space under a sublease agreement, expiring in February 2019. Sublease payments are based on square footage occupied.

The following is a schedule of future minimum rental payments (net of sublease revenue) required under the above operating leases for the years ended September 30:

2019 2020	\$	29,025 35,350
2021 2022		32,950 11,000
Total future minimum rental payments	<u>\$</u>	108,325

Net rental expense was \$18,687 for the year ended September 30, 2018.

## NOTE G - FAIR VALUE MEASUREMENTS

SSP follows the FASB Accounting Standards Codification No. 820, *Fair Value Measurement*, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets, which have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs, which have the lowest priority, use primarily unobserved inputs. SSP uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, SSP measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Fair values of assets measured on a recurring basis at September 30, 2018 are as follows:

	Fair Value	Quoted Pricesin ActiveSignificantMarkets forOtherIdenticalObservableAssetsInputs(Level 1)(Level 2)		Significant Unobservable Inputs (Level 3)		
Beneficial interest in assets of Community Foundation	<u>\$ 74,300</u>	<u>\$</u>	<u>\$                                    </u>	<u>\$ 74,300</u>		
Total	<u>\$ 74,300</u>	<u>\$                                    </u>	<u>\$</u>	\$ 74,300		

The beneficial interest in assets held by community foundation is valued using Level 3 measurements, as SSP's interest in not redeemable in the near term. The following is a reconciliation of SSP's investments measured using significant unobservable measurements (Level 3) for the year ending September 30, 2018:

Balance, beginning of year	\$ 71,943
Investment gain (loss) Distributions Administrative fees	 5,762 (2,670) (735)
Balance, end of year	\$ 74,300

## NOTE H – **PENSION PLAN**

SSP sponsors a defined contribution 403(b) pension plan covering all full-time employees. Annual contributions are equal to 5% of each eligible employee's gross earnings, and totaled \$12,673 for the year ended September 30, 2018.

## NOTE I - DONATED FACILITIES, GOODS AND SERVICES

SSP receives donated facility space from a variety of donors. The amount recognized in the statement of activities as a contribution and donated facilities expense totaled \$39,223 for the year ended September 30, 2018. The value of donated facilities was computed by multiplying the total number of participant nights by the estimated value of \$7.50 per night and subtracting any actual costs incurred directly attributable to the particular facilities. SSP received donated goods valued at \$2,778 for use in the summer camp program.

SSP also received donated services from a variety of unpaid volunteers assisting in leadership, committees, fundraising activities and program services. The value of this donated time is not reflected in the accompanying financial statements since it does not meet the criteria for recognition as a contribution.

# NOTE J – SUBSEQUENT EVENTS

The management of SSP has reviewed the results of operations for the period of time from its year end September 30, 2018 through December 31, 2018, the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.
