Sponsor Sierra Service Project

Invest in our fall kick-off community work day on 9/26

Invest in Sierra Service Project (SSP) for **a community day of service on Saturday, 9/26!** Local supporters will volunteer to complete work at the International Garden of Many Colors, one of our most active community partners.

SSP hosts volunteers year-round through local days of service. We partner with dozens of organizations, including community gardens, mobile home parks, and city-funded neighborhood improvement initiatives.

As an established organization that just celebrated 50 years of community-building, SSP has the tools to engage our neighbors in impactful volunteer service.

Sponsoring a day of service with SSP is **a great team-building and networking opportunity** for your business or organization!
