Sponsor SSP's Summer Service-Learning Program

SSP hires 14 passionate young adults to lead youth and adult volunteers at our Summer Program. Working on summer staff builds leadership capacity in the next generation, as they receive formal training in conflict resolution, public speaking, budgeting, and other essential skills:

Site Directors (2) supervise the staff team, coordinating relationship building with volunteers and the partner community.

Construction Coordinators (4) plan contractor-grade home repairs, developing hands-on project management and STEAM skills.

Spiritual Life Coordinators (2) develop curriculum to facilitate spiritual development and create a faith community.

Food Service Coordinators (4) manage the kitchen, inventory, and prepare meals for hungry volunteers.

- End-of-summer staff gift: \$500
- A day of training: \$1,000
- Staff Travel Fund (to get to training and home at the end): \$2,500
- Summer staff pay (first year): \$5,000
- Summer staff pay (Site Director): \$7,500

Sponsor a youth - SSP's Scholarship Fund!

We are committed to ensuring the inclusion of all people and reducing financial barriers. One way we live this out is through our scholarship fund for Summer Program participants! Each year, SSP awards about \$30,000 in scholarships to about a quarter of participants who express financial need.

- One youth: \$250
- Two youth: \$500
- Four youth: \$1,000
- Sponsor a youth group (average size of 10): \$2,500

"Participating on a scholarship made it more affordable for my family. Thank you! It made a big difference in my life."
